WHO WE ARE

Innocraft introduces a new generation of cabinet manufacturing and distribution for modern homes, seamlessly integrating design and quality with an emphasis on sustainability.

OUR VISION

Cabinets are a long-term investment, and so is the environment. By utilizing eco-friendly coatings, renewable woods, and engineered composite wood, we ensure that no resource goes to waste in the creation of our cabinets.

OUR COMMITMENT

We are dedicated to crafting cabinets that meet the diverse needs of modern households. Our cabinets are built to withstand everyday usage and encourage you to spend more quality time in the kitchen.

Solid Wood Framed Cabinets

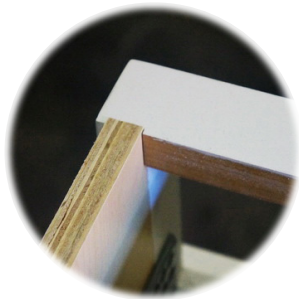

Our **Solid Wood Framed Cabinets** masterfully merge classic charm with contemporary flair. Crafted with durable solid wood doors and frames, these cabinets set a new standard for elegance.

The structure of the cabinet boxes and shelves is reinforced with top-tier plywood, available in thicknesses of 5/8" and 3/4", ensuring both strength and sophistication. To complement the high-quality materials, each cabinet is equipped with soft-close under-mount hinges, showcasing our dedication to premium hardware and modern functionality.
